* See "2014 OSA Partner Benefits" Chart explaining member benefits associated with each level of membership.

** Note: In order to minimize confusion at the OSA, any group of salons or individuals under a single brand may combine resources to achieve a higher level of membership, but they must do so by: (1) submitting one check annually for the total membership level amount; (2) appointing one representative to vote on the group's behalf at official meetings of the OSA; (3) providing a membership application for each individual or business that will be associated with the higher level of membership; and (4) providing a chart with the names of all individuals that are part of the group.

The Ohio Salon Association is a 501(c)(6) trade organization, not a charity. Dues and contributions are NOT fully tax-deductible.
